# 2019 Editorial Calendar

**Calling all engineers, specifiers, and insulation experts—share your story or idea!**

**Name a job that demonstrates a particular product or an insulation system that demonstrates energy and financial savings. Call us and share—we can turn your story into an article.**

**Have you ever had your own personal editor?**

*Insulation Outlook* authors are assigned an editor to give one-on-one assistance to fine tune their articles and ensure they sound like the experts they are! We can also turn your article into a customized reprint—a valuable sales tool.

Whether you want to write an article with the services of an *Insulation Outlook* editor or be interviewed and have staff ghost write the article for you, we have multiple options to share your expertise.

**Are you an engineer?**

We have paid article opportunities for engineers looking to contribute 1–2 articles per year.

Find out more at [www.InsulationOutlook.com/writers](http://www.InsulationOutlook.com/writers).

**Submit articles on insulation anytime! We accept technical articles on insulation for all issues.**

\*Special advertising sections may be added. Issue focus may be adjusted based on reader feedback and article submissions.

**Each month we will feature technical articles about insulation projects. NIA member companies and engineers are welcome to submit article topics and articles all year long. Each month will examine a different area of the industry, but we include insulation articles in every issue.**

## GENERAL REQUIREMENTS AND FORMATS

- A high-resolution PDF/X-1a file is required for all ads.
- Colors must be CMYK. No ICC profiles, RGB, or Pantone colors.
- Resolution of all images must be at least 300 dpi. Line art should be 600 dpi.
- Vital copy and images must be at least 1/8" away from trim. Spread ads must have at least 3/8" total gutter.
- Materials must be submitted without crop marks and full page ads should include the required 1/8" bleed.
- All fonts used must be embedded in the PDF file.
- Using the bold, italic, or other style keys is not encouraged. Please use the bold or italic version of the font. (For example, instead of making Adobe® Garamond bold with the style key, use the actual font for Adobe® Garamond Bold).
- Flatten all layers and set transparency to highest setting.
- Ads must be suitable to print as is. NIA is not responsible for any errors in content.

**Please note:** Materials that do not meet the stated advertising specifications will be rejected. Necessary alterations are the responsibility of and at the expense of the advertiser. All materials must be submitted in accordance with the published deadlines and meet the criteria stated in the advertising policy.

All ads must match the correct specs. Ads that do not conform to *Insulation Outlook* sizes will be corrected, refused, or replaced with the company's previous ad. Advertisers are responsible for all fees incurred as a result of incorrect ads and may be subject to additional fees if previous ad is published and was larger. *Insulation Outlook* is not responsible for any issues that arise from ad corrections.

## INSERTS

**Rates:** Each insert counts as 1 insertion toward earned rate. Binding the insert is included in the price. Tipping will incur additional charges. Based on the type of insert or finishing requested, other fees may apply. Proof and specs must be submitted to determine pricing.

**Weight:** Inserts can range from 60- to 100-pound offset stock, coated or uncoated.

**Format:** Inserts can be printed for you at an additional fee. They can also be provided by the advertiser in finished form, printed, folded, and ready for binding in sufficient quantity to meet press run of target issue. A sample must be provided to publisher 30 days prior to publication. Inserts are jog to the head, and an additional 1/8" trim is taken. Live area should begin 1/4" below the top of the insert.

## POLICIES

Artwork must be submitted through the send my ad portal (upload your ad: <https://theygsgroup.sendmyad.com>). *Insulation Outlook* is not responsible for ad corrections, and any corrections made are at the advertiser's expense. If corrections or changes are made after the material close date, late fees are applicable.

No ad or contract changes will be accepted after the ad material close date unless the substituted ad is of like size and color. If new materials are not submitted by the material close date for the contracted issue, the previous advertisement will be repeated and the cost billed will be according to the ad that was published, regardless of insertion order. Any materials submitted or changed after the material close date are subject to a late fee. Ads must match trim size.

If you have questions about how to submit your ad, contact the YGS Production Coordinator at [production@insulation.org](mailto:production@insulation.org).

# Publisher's Policies

## APPLICABILITY

All advertising submitted to NIA is subject to NIA's Publications C-3 Policy. The terms and conditions contained herein apply to all advertising orders and, without limiting the applicability to the foregoing, shall be incorporated by reference into any insertion order, copy instruction, letter, invoice, or any other sales document. Any additional or different terms or conditions proposed by advertisers or advertising agencies are objected to and are hereby rejected. Advertiser and agency hereby assent to and shall be bound by each and every term and condition set forth herein, notwithstanding and irrespective of any terms and conditions in advertiser's or agency's insertion order, copy instruction, letter, or other purchase documents (whenever issued), which may be different than or inconsistent with those stated herein. These terms and conditions contain the entire understanding governing the business relations that exist with publisher with respect to advertisements in *Insulation Outlook* and, except as expressly provided herein, these terms and conditions may not be modified or altered except in writing, duly executed by the parties.

## AGENCY COMMISSION FOR PAYMENT WITHIN 60 DAYS

Fifteen percent of gross billing is allowed to recognized agencies for display advertising space, and color and special position premiums, if paid within 60 days. After 60 days, agency commission is automatically forfeited. Commission is not allowed on such charges as artwork, design, reprints, printing, PDFs, and special handling charges. No cash discounts.

## CONTRACT RATES

Contract rates are based on the total number of insertions used within a calendar year. Advertising schedules composed of multiple space units are entitled to the frequency rate for each unit. However, if advertiser submits two 1/2-page ads instead of a full-page ad, publisher will charge for the cost of two 1/2-page ads, not a full page—even if the ads are stacked on 1 full page.

Advertisers will be short-rated if they fail to use the number of insertions upon which their discount rate is based. Advertisers will be rebated if, within the same calendar year, they have used sufficient space to warrant a lower rate.

If an ad supplied is different than the contracted space, advertiser will be billed at the higher rate (i.e., if a 1/3-page ad was contracted, but publisher was provided with a 1/4-page ad, the 1/3-page ad will be billed).

## TERMS OF PAYMENT

All payment is required on time. All payments must be made in U.S. currency and advertisers are responsible for any exchange or transfer fees. A 2% cash/check discount is offered when payment is made within 30 days. Advance payment is required from advertisers and agencies that have no established credit record with *Insulation*

*Outlook* or at the publisher's discretion. Invoices not paid within 60 days are subject to an interest charge of 2% per month on the outstanding balance. Advertiser and advertising agency are jointly responsible for payment of advertisements appearing in this publication. Efforts will be made to obtain payment before sending accounts to collections, including billing the advertiser directly and billing any credit card on file for that account. Advertiser agrees to reimburse any sums expended by publisher, including but not limited to attorneys' fees, collection fees, and any other expenses incurred by publisher in collection of payment for any amount due to publisher. The rights of publisher shall in no way be affected by any dispute or claims between advertiser and agency.

Publisher reserves the right to reject advertisements if payment for previous advertisements is overdue.

## CANCELLATIONS

Premium positions and digital contracts cannot be cancelled. Full payment of the entire contract is required.

All program cancellations will be billed at 50% of the full contract for any unused ads and other marketing exposure received as part of the bonus program will be billed at the full value of each if the insertion order is not completed.

All cancellations must be received in writing and receipt confirmed prior to the advertising space reservation deadline. Companies cannot cancel after the space reservation deadline. Cancellation requests should be sent to [ads@insulation.org](mailto:ads@insulation.org) and to [publications@insulation.org](mailto:publications@insulation.org).

## LIABILITY

Advertiser and agency represent and warrant that they are authorized to publish the entire contents and subject matter of the ads, and that the publication by publisher will not violate the rights of any third party or any law. Advertiser and agency shall indemnify and hold publisher harmless from and against any loss, expense, or liability resulting from claims or suits based upon such ads, without limitation.

Publisher is not responsible for incorrectly submitted ad files, including file corruption and format, size, resolution, color, and trim issues. Files may be corrected and the advertiser billed for the expense. All ads require a hard-copy proof. Color-matched SWOPs are preferred. Publisher cannot be held responsible for ad quality if SWOP is not provided, and full payment will be required.

No ad changes will be accepted after the materials close date unless the substituted ad is of like size and color. If new materials are not received by the materials close date for the contracted issue, the previous advertisement will be repeated. Any materials submitted or changed after the material closing date are subject to a late fee. Changes after the materials close date cannot be guaranteed, and the publisher reserves the right to run the previous ad instead.

Publisher assumes no liability for injury, damage, loss, accident, delay, or irregularity for any reason whatsoever arising from said advertisement. Errors by publisher in published ads shall not constitute a breach of contract, but shall, if brought to publisher's attention no later than 5 business days after the ad appears, entitle advertiser to credit for actual space of error on the first insertion only, unless a proof of the ad was furnished to or by publisher, in which event advertiser and/or agency shall accept full responsibility. Publisher's liability for failure to publish an ad shall not exceed a refund or credit for publisher's charge for such ad.

Publisher reserves the right to reject any advertisement. The rejection by publisher for any reason whatsoever shall not be considered a breach of contract, but shall require advertiser and/or agency to supply new copy acceptable to publisher. Publisher reserves the right to label any advertisement with the word "advertisement."

The appearance of an advertisement and/or a product or service information in *Insulation Outlook* does not constitute an endorsement of such products or services by NIA.

## DISCLAIMER

Publisher is not liable for delays in delivery and/or non-delivery in the event of act of God, action of any governmental or quasi-governmental entity, fire, flood, insurrection, riot, explosion, embargo, strikes (whether legal or illegal), labor or material shortage, transportation interruption of any kind, work slowdown, or any circumstance beyond the control of publisher affecting production or delivery in any manner. Any deliberate attempt to simulate a publication's format is not permitted.

## MISCELLANEOUS

This agreement shall be governed by and construed in accordance with the laws of Virginia, without regard to conflict of laws/principles. The parties hereby consent to the exclusive jurisdiction and venue of the courts located in Fairfax County, Virginia. In the event that any provision hereof is determined to be invalid or unenforceable by a court of competent jurisdiction, the parties intend that the court should reform the provision to such narrower scope as it determines to be enforceable and such determination shall not affect nor impair the validity or enforceability of any of the remaining provisions. Headings are inserted for convenience only and in no way define, limit, or extend the scope or intent of any provision herein. Failure of publisher to insist on performance of any of these terms shall not be construed as a waiver of such terms and shall not affect the right of publisher thereafter to enforce each and every term hereof.

By using insulation, the brewery can ensure that the beer is brewed at the perfect temperature, resulting in a superior product that is enjoyed by beer lovers everywhere.

**An Introduction to REMOVABLE COVERS**

By John Costello

Removable covers are a versatile and effective solution for protecting equipment and surfaces. They are easy to install and remove, making them a popular choice for many industries.

There are several types of removable covers, each designed for specific applications. From heavy-duty covers for construction equipment to lightweight covers for office furniture, there is a cover for every need.

Choosing the right removable cover for your application is essential for ensuring its effectiveness. Consider factors such as the weight of the equipment, the environment, and the frequency of use when making your selection.
