

The Theodore H. Brodie Distinguished Safety Award

2018 NIA Contractor Member Application Form

A NIA Member-Only Program

Instructions:

Please complete this application and submit it with a check for the \$250 application processing fee. (Note: The NIA Board of Directors has kept the application cost down as a benefit to NIA members. NIA underwrites a portion of this program to help keep the application fees low.) This form must be received no later than **August 31, 2018**, at the address below. Companies applying for the first time receive a discount of 50% and should send a check for \$125. **Please make checks payable to "National Insulation Association."**

Auman, Mahan & Furry
Attn: Gary Auman, NIA Legal Counsel
110 North Main Street, Suite 1000
Dayton, OH 45402-1738

Please do not attach your safety program to this application. Instead, please answer each question in your own words based on what is included in your safety program. **UNLESS ATTACHMENTS OR COPIES OF YOUR PROGRAM ARE REQUESTED, THEY WILL NOT BE GRADED.** Only NIA Contractor members are eligible to use this form. Contractor members must be members in good standing for this application to be considered (i.e., your company's NIA membership dues must be paid in full by the time applications are judged and at the awards presentation). To check your company's membership status, please email membership@insulation.org. Please note that no exceptions will be made to this requirement.

Please complete all information. (Incomplete applications and those without appropriate payment will not be considered.)

Section 1: General Information

This safety recognition program is intended only to evaluate components of the applicant's safety program for best practices. We do not consider injury rates or Occupational Safety and Health Administration (OSHA) citations in our evaluation. Even a company with the best safety program can run afoul of OSHA if it does not implement and enforce the requirements, policies, and procedures in its safety program. NIA urges all applicants in our safety recognition program to consistently and fairly enforce the requirements and policies set out in the safety programs they submit for evaluation.

Company Name _____

Address _____

City _____ State _____ Zip Code _____

Contact for Report Verification _____

Phone _____ Email _____

Who is responsible for safety in your company?

Name _____

Phone _____ Email _____

1. Does your company have a formal written safety program? Yes No

If yes, how long has it been in place? _____

Confidentiality: The information in Section 1, and any reference in any part of this application to a specific company, will not be included with the application when the submissions are judged. This information will be kept in strict confidence. NIA reserves the right to publish any innovative safety ideas from the entries for the good of the industry. However, any company-specific information regarding accident or injury statistics, or any other information identified by the applicant as proprietary, will be kept in confidence within NIA and the Health and Safety Committee as it applies to the specific company.

Section 2: Category

1. Please check one for your insulation business (this must also correspond to your current NIA dues category):

- a) Small Company (fewer than 100,000 man hours)
- b) Medium Company (100,001 to 500,000 man hours)
- c) Large Company (more than 500,001 man hours)

2. I confirm that my company is a NIA Contractor member. (Please check one.)

- a) Yes
- b) No

3. I confirm that my company is a NIA member in good standing (NIA membership dues are paid).

- a) Yes
- b) No (Contractor members must be members in good standing for this application to be considered, meaning your company's NIA membership dues must be paid in full by the time applications are judged and at the awards presentation. To check your company's membership status, please email membership@insulation.org. Please note that no exceptions will be made to this requirement.)

To download additional copies of this application, please visit www.insulation.org.

Section 3: Company Safety Program

1. Please describe your distracted driving and your distracted working programs.

2. How do you ensure that you have competent persons on each job site with the expertise and credentials to satisfy the OSHA requirements for competent persons? Also, describe how you train and certify your employees as competent persons.

3. How do you train your employees in hazard recognition?

4. Describe your rules to ensure your employees work safely at heights including, but not limited to, their use of scaffolds, aerial lifts, and ladders.

5. Describe your process for onboarding employees and ensuring compliance with your safety and health policies and procedures.

6. Please describe your procedure for accident investigation. Please identify the person or persons who are authorized to perform accident investigations. Please attach a copy of your accident investigation form.

7. Please describe your policy for construction industry confined space. If you take advantage of alternate procedures, please describe them. Describe your training program for entry supervisors and attendants.

8. Please describe your policy to protect your employees from respirable crystalline silica.

Section 4: Submission Information

Please indicate to whom you would like the safety program improvement feedback sent and the correct email address.

Name _____ Email _____

Questions regarding the application process may be submitted to Aimee Doyle at adoyle@insulation.org. All completed applications and appropriate fees (make checks out to “National Insulation Association”) must be received no later than August 31, 2018, and mailed to:

Auman, Mahan & Furry
Attn: Gary Auman, NIA Legal Counsel
110 North Main Street, Suite 1000
Dayton, OH 45402-1738

Winners of the Theodore H. Brodie Distinguished Safety Award will be chosen on the basis of their safety program, means of communication and training, and company safety policy. Safety programs are not judged against other safety programs—only against an “ideal” program. Winners will be announced and recognized during NIA’s 64th Annual Convention, April 3–5, 2019, at the Grand Hyatt Baha Mar, in Nassau, Bahamas. (See www.insulation.org/convention2019 for details.) Photographs will be taken of winners present and made available to award recipients upon request. The photos may also be used in NIA publications and marketing materials.
