

Premier Industry Manufacturer Recognition Program

2019 Member Point-Tracking Form

NIA's Premier Industry Manufacturer Recognition Program

With the help of our Associate (Manufacturer) members, NIA has launched the Premier Industry Manufacturer Program. This program will recognize and distinguish exemplary companies as industry advocates and leaders. Through this program, NIA's Associate members demonstrate to customers that their company is a recognized leader amongst their peers.

Member Point-Tracking Activities

NIA will track the majority of the point opportunities available to Associate member companies. The activities listed below require the individual member company to complete this form in order to receive points for these activities in 2019. This form outlines all eligible activities and their assigned point value. It must be completed and submitted to training@insulation.org by **Tuesday, December 31, 2019**.

- Companies that reach a minimum of **175 points** throughout the 2019 calendar year will be recognized as Premier Industry Manufacturers. Program benefits include:
 - Recognition at NIA's 65th Annual Convention, April 15–17, 2020, at the JW Marriott Scottsdale Camelback Inn Resort & Spa, in Scottsdale, Arizona.
 - Access to the **Premier Industry Manufacturer** name designation and logo for the year they receive the designation. The logo can be added to marketing and promotional materials, email signatures, and the company's website.
