

NIA's Safety Excellence Award

2019 NIA Metal Building Laminator Member Application Form

A NIA Member-Only Program

Instructions:

Please complete this application and submit it with a check payable to "National Insulation Association" for the \$250 application processing fee. (Note: The NIA Board of Directors has kept the application cost down as a benefit to NIA members. NIA underwrites a portion of this program to help keep the application fees low.) This form must be received no later than **September 3, 2019**, at the address below. Companies applying for the first time receive a discount of 50% and should send a check for \$125. **Please make checks payable to "National Insulation Association."**

Auman, Mahan & Furry
Attn: Gary Auman, NIA Legal Counsel
110 North Main Street, Suite 1000
Dayton, OH 45402-1738

Please do not attach your safety program to this application. Instead, please answer each question in your own words based on what is included in your safety program. **UNLESS ATTACHMENTS OR COPIES OF YOUR PROGRAM ARE REQUESTED, THEY WILL NOT BE GRADED.** Only NIA Metal Building Laminator members are eligible to use this form. Metal Building Laminator members must be members in good standing for this application to be considered (i.e., your company's NIA membership dues must be paid in full by the time applications are judged and at the awards presentation). To check your company's membership status, please email membership@insulation.org. Please note that no exceptions will be made to this requirement. You may use additional pages to provide a complete narrative response to each question.

Please complete all information. Incomplete applications and those without appropriate payment will not be considered.

Section 1: General Information

This safety recognition program is intended only to evaluate components of the applicant's safety program for best practices. We do not consider injury rates or Occupational Safety and Health Administration (OSHA) citations in our evaluation. Even a company with the best safety program can run afoul of OSHA if it does not implement and enforce the requirements, policies, and procedures in its safety program. NIA urges all applicants in our safety recognition program to consistently and fairly enforce the requirements and policies set out in the safety programs they submit for evaluation.

Confidentiality: The information in Section 1, and any reference in any part of this application to a specific company, will not be included with the application when the submissions are judged. This information will be kept in strict confidence. NIA reserves the right to publish any innovative safety ideas from the entries for the good of the industry. However, any company-specific information regarding accident or injury statistics, or any other information identified by the applicant as proprietary, will be kept in confidence within NIA and the Health and Safety Committee as it applies to the specific company.

Section 2: Category

1. Please check one for your insulation business (this must also correspond to your current NIA dues category):

- a) Small Company (fewer than 100,000 man hours)
- b) Medium Company (100,001 to 500,000 man hours)
- c) Large Company (more than 500,001 man hours)

2. I confirm that my company is a NIA Metal Building Laminator member.

- a) Yes
- b) No

3. I confirm that my company is a NIA member in good standing (NIA membership dues have been paid).

- a) Yes
- b) No (Metal Building Laminator members must be members in good standing for this application to be considered, meaning your company's NIA membership dues must be paid in full by the time applications are judged and at the awards presentation. To check your company's membership status, please email membership@insulation.org. Please note that no exceptions will be made to this requirement.)

To download additional copies of this application, please visit www.insulation.org.

Section 3: Company Safety Program

1. Please describe your vehicle and driver safety programs (describe how you determine that employees are qualified to drive any vehicles for your company and the training and instructions you give to them.)

2. Please describe your onboarding process for new employees, including training in hazard recognition. Also, describe how you continually educate your employees about safety.

3. Describe your company's electrical safety program.

4. Describe your fire safety program, including, but not limited to, fire extinguishers, fire suppression systems and flammable materials storage, and how you address employee response to a fire emergency in your EAP.

5. Please describe your program for contractor and subcontractor selection and safety management.

To download additional copies of this application, please visit www.insulation.org.

6. Describe your policy for frequent and regular safety inspections and your corrective action policy (this includes your safety enforcement policy.)

7. Describe your premises security program, including employee training and policies on buildings and ground security, access control, and workplace violence prevention.

8. Please describe your procedure for accident investigation. Please identify the person or persons in your company who are authorized to perform accident investigations. Please attach a copy of your accident investigation form.

Section 4: Submission Information

Please indicate to whom you would like the safety program improvement feedback sent and the correct email address.

Name _____ Email _____

Questions regarding the application process may be submitted to Aimee Doyle at adoyle@insulation.org. All completed applications and appropriate fees (make checks out to “National Insulation Association”) must be received no later than September 3, 2019, and mailed to:

Auman, Mahan & Furry
Attn: Gary Auman, NIA Legal Counsel
110 North Main Street, Suite 1000
Dayton, OH 45402-1738

Winners of NIA’s Safety Excellence Award will be chosen on the basis of their safety program, means of communication and training, and company safety policy. Safety programs are not judged against other safety programs—only against an “ideal” program. Winners will be announced and recognized during NIA’s 65th Annual Convention, April 15–17, 2020, at the JW Marriott Scottsdale Camelback Inn Resort & Spa, in Scottsdale, Arizona. (See www.insulation.org/convention2020 for details.) Photographs will be taken of winners present and made available to award recipients upon request. The photos may also be used in NIA publications and marketing materials.

To download additional copies of this application, please visit www.insulation.org.
