Hotel Information

To reserve your hotel room at the Sheraton North Houston at George Bush Intercontinental, please call 281-442-5100 and reference group code "NIS" when making your reservation.

For online hotel reservations, visit <https://www.marriott.com/events/start.mi?id=1551730387136&key=GRP&app=resvlink>. NIA has blocked guest rooms at a rate of \$115/night plus taxes (including WiFi and complimentary buffet breakfast). The rate is available through July 22, 2019.

PRE-QUALIFICATION FOR THE PROGRAM

The Thermal Insulation Inspector Certification™ program is developed for individuals who have good communication skills as well as the following:

- Have successfully completed the online Mechanical Insulation E-Learning Series, resulting in an initial understanding of the principles and fundamentals of insulation and insulation systems, types of insulation products, mechanical insulation science and technology, maintenance, and more (a completion certificate is required to be sent to NIA no later than July 23, 2019, in order to sit for this course);
- Have a minimum of 3 years of experience in commercial and/or industrial construction, process, and maintenance industry, inspection, or related fields;
- Have good communication skills and the ability to work in a team environment;
- Have the ability to recognize potential basic safety concerns during facility visits and insulation system inspections; and
- Have basic computer literacy.

Cancellations received after July 23, 2019 will receive a 50% refund. NIA member attendees who successfully pass the Thermal Insulation Inspector Certification™ program shall be listed on the NIA website and other NIA members-only lists. Non-members acknowledge that they will not be listed on the NIA website or other NIA member lists. NIA members hereby permit listing on the NIA website and in any other NIA list that concerns the Thermal Insulation Inspector Certification™ program.

NIA sponsors the Thermal Insulation Inspector Certification™ as a service to the commercial and industrial insulation industry. The certification is granted to individuals who complete the Thermal Insulation Inspector Certification™ training program and successfully pass any tests administered as part of the program. NIA is not responsible for the performance of any thermal insulation inspector who successfully completes the NIA Thermal Insulation Inspector Certification™ course. Attendees of the Thermal Insulation Inspector Certification™ and their sponsoring employer(s) acknowledge that any use of the knowledge and/or techniques gained through the program are at their own risk and agree to hold NIA harmless from any liabilities (including attorney's fees) relating to or arising from, directly or indirectly, the use of the knowledge and/or techniques gained through the Thermal Insulation Inspector Certification™ or attendee's performance, actions, or omissions. To the extent it would otherwise prohibit the sponsoring employer's indemnity, sponsoring employer hereby waives its immunity, if any, as a complying employer under workers' compensation laws.
