

## Premier Industry Manufacturer Recognition Program

### 2020 Member Point-Tracking Form

### NIA's Premier Industry Manufacturer Recognition Program

With the help of our Associate (Manufacturer) Committee, NIA has created the Premier Industry Manufacturer Program. This program will recognize and distinguish exemplary manufacturing companies as industry advocates and leaders. Through this program, NIA's Associate members demonstrate to customers that their company is a recognized leader amongst their peers.

### Member Point-Tracking Activities

NIA will track the majority of the point opportunities available to NIA Associate member companies. The activities listed below require the individual member company to complete this form in order to receive points for these activities in 2020. This form outlines all eligible activities and their assigned point value. The form must be completed and submitted to [training@insulation.org](mailto:training@insulation.org) by **Thursday, December 31, 2020**. Due to the effects of COVID-19 on our in-person events and training opportunities, we have added additional point opportunities for 2020. See page 3.

- Companies that reach a minimum of **175 points** throughout the 2020 calendar year will be recognized as Premier Industry Manufacturers. Program benefits include:
  - Recognition at NIA's 66<sup>th</sup> Annual Convention, March 17–19, 2021, at the Hyatt Regency Maui Resort and Spa, in Maui, Hawaii.
  - Access to the **Premier Industry Manufacturer** name designation and logo for the year they receive the designation. The logo can be added to marketing and promotional materials, email signatures, and the company's website.
  - Promotion on NIA's website and in marketing materials.

For a full list of program benefits, please visit [http://insulation.org/membership/Premier\\_benefits/](http://insulation.org/membership/Premier_benefits/).

### Instructions

Please complete this form and submit it via email no later than **Thursday, December 31, 2020**, to [training@insulation.org](mailto:training@insulation.org) or by mailing it to the address below:

National Insulation Association (NIA)  
Attn: Erin Penberthy  
516 Herndon Parkway, Suite D  
Herndon, VA 20170
