

Premier Industry Manufacturer Recognition Program

2020 Application for Eligibility

A NIA Member-Only Program

NIA's Premier Industry Manufacturer Recognition Program

Created by Associate members for Associate members, NIA's Premier Industry Manufacturer Program recognizes and distinguishes exemplary companies as industry advocates and leaders. Through this program, NIA's Associate (Manufacturer) members demonstrate to their customers that they are recognized leaders.

Available exclusively to NIA Associate member companies, this program has been developed to reward Associate members for their actions. NIA continues to develop the program to ensure it provides the most value to NIA's Associate members and brings recognition from peers and clients.

Application Process and Eligibility

There is no cost to apply to the program and NIA encourages all Associate (Manufacturer) companies to apply.

- Applicants must be NIA Associate members in good standing for their application to be considered. (i.e., your company's 2020 NIA membership dues must be paid in full, at the appropriate dues category, by the time your application is submitted). To check your company's membership status, please email membership@insulation.org.
- The deadline to apply for the 2020 calendar year is **Friday, November 13, 2020**. Once the application is complete, NIA will begin tracking your points (retroactively to January 1) for the 2020 calendar year.
- NIA will track the majority of the point opportunities available to Associate member companies after the application is completed and submitted. Some activities will require the individual member company to complete a [Point-Tracking Form](#) (available at www.insulation.org/membership/premier_manufacturer). This form will outline all eligible activities, including their assigned point value, and must be completed and submitted to training@insulation.org by **Thursday, December 31, 2020**, to receive points for these activities. Due to the effects of COVID-19 on our in-person events and training opportunities, we have added additional point opportunities for 2020.

- Companies that reach a minimum of **175 points** throughout the 2020 calendar year will be recognized as Premier Industry Manufacturers. Program benefits include:
 - Recognition at NIA’s 66th Annual Convention, March 17–19, 2021, at the Hyatt Regency Maui Resort and Spa, in Maui, Hawaii.
 - Companies will have access to the **Premier Industry Manufacturer** name designation and logo for the year they receive the designation. The logo can be added to marketing and promotional materials, email signatures, and the company’s website.
 - Companies who achieve the recognition will be promoted on NIA’s website and in marketing materials.
 - For a full list of program benefits, please visit http://insulation.org/membership/Premier_benefits/.

Instructions

Please complete this application and submit it no later than **Friday, November 13, 2020**, by emailing it to training@insulation.org or by mailing to the address below:

National Insulation Association (NIA)
 Attn: Erin Penberthy
 516 Herndon Parkway, Suite D
 Herndon, VA 20170
