April 2021

CxEnergy 2021

Virtual April 2021

www.cxenergy.com

Event Description

CxEnergy, the premier industry event in commissioning, energy management and building diagnostics is going [Virtual](#) due to the continued COVID-19 pandemic. This April (every Tuesday and Thursday), [CxEnergy Virtual](#) is poised to deliver another stellar event with a mix of 16 AIA-approved [live](#) and [pre-recorded](#) technical presentations, covering case studies in commissioning and energy management in buildings and facilities, energy data analytics, critical updates to codes & standards, and more. FREE to ACG, AABC, and EMA members; \$199 for non-members (NIA members receive a *10% discount* with promo code **NIA10**). CxEnergy 2021 *Virtual* is presented by the AABC Commissioning Group ([ACG](#)), the Associated Air Balance Council ([AABC](#)), and the Energy Management Association ([EMA](#)).
