

NIA's Certified Insulation Energy Appraisers

Certified Insulation Energy Appraisers attend a 2-day training program on how to conduct an energy appraisal for mechanical insulation and energy efficiency. The goal of this program is to help facilities attain the best and most cost-effective energy savings possible.

To learn more about NIA's Insulation Energy Appraisal Program (IEAP), visit www.insulation.org/training-tools/energy-appraiser-certification/.

This list is accurate as of February 1, 2023.
