

NIA's Premier Industry Manufacturer Program

2024 Application

A NIA Members-Only Program

NIA's Premier Industry Manufacturer Program

Created by NIA's Associate (Manufacturer) members exclusively for Associate members, NIA's Premier Industry Manufacturer Program recognizes and distinguishes exemplary companies as industry advocates and leaders. Through this program, NIA's Associate members demonstrate to their customers that they are recognized leaders.

This program has been developed to reward Associate members for their actions supporting NIA and the industry. NIA continues to develop the program to ensure it provides the most value to NIA's Associate members and brings recognition from peers and clients.

Application Process and Eligibility

As a benefit of your membership with NIA there is no cost to participate in this program and NIA encourages all Associate member companies to apply.

- Applicants must be NIA Associate members in good standing for their application to be considered. (i.e., your company's 2024 NIA membership dues must be paid in full, at the appropriate dues category, by the time your application is submitted). To check your company's membership status, please email membership@insulation.org.
- The deadline to apply for the 2024 calendar year is **Friday, November 8, 2024**.
- Once an application is submitted, NIA will track the majority of the point opportunities from Jan. 1 of the application year and will combine this total to the Associate Award Point Questionnaire.
- Some activities will require the individual member company to complete an [Associate Award Point Questionnaire](#). This form will outline all eligible activities, including their assigned point value, and must be completed and submitted to membership@insulation.org by **Tuesday, December 31, 2024**, to receive points for these activities.
- Companies that reach a minimum of **175 points** throughout the 2024 calendar year will be recognized as **Premier Industry Manufacturers**. Program benefits include:
 - Recognition at NIA's 69th Annual Convention, April 28–30, 2025, at the Hyatt Regency Scottsdale Resort & Spa at Gainey Ranch in Scottsdale, Arizona.

- Companies will have access to the **Premier Industry Manufacturer** name designation and logo for the year they receive the designation. The logo can be added to marketing and promotional materials, email signatures, and the company’s website.
- Companies that achieve the recognition will be promoted on NIA’s website and in marketing materials.
- For a full list of program benefits, please visit www.insulation.org/membership/Premier_benefits.

**If your company can check “Yes” to any of the following,
you are already on your way!**

- NIA Membership in Good Standing (25 Points)
- Membership in a Regional Association (3 Points per Group for Max 21 Points)
- Contributing to the Foundation (5–20 Points)
- Advertising & Sponsorship (5–45 Points)
- Attending NIA Events (Max 52 Points)
- Attending Training Classes (Max 50 Points)
- Subscribing to NIA’s Education Center (20 Points)
- View additional point opportunities at www.insulation.org/opportunities-to-earn-points.

Instructions

Please complete this application and submit it no later than **Friday, November 8, 2024**, by emailing it to membership@insulation.org or by mailing it to the address below. Please be sure to assign a Recognition Program Contact on the form below. This individual will receive reminders and updates on the program.
