

NIA's Premier Industry Manufacturer Program

2024 Associate Award Point Questionnaire

NIA's Premier Industry Manufacturer Program

With the help of our Associate (Manufacturer) Committee, NIA has created the Premier Industry Manufacturer Program. This program recognizes and distinguishes exemplary manufacturing companies as industry advocates and leaders. Through this program, NIA's Associate members demonstrate to customers that their company is a recognized leader amongst their peers.

Member Point-Tracking Activities

NIA will track the majority of the point opportunities available to NIA Associate member companies. This questionnaire outlines some of the eligible activities and their assigned point value. The activities listed in the questions below must be completed by the individual member company to receive points for these activities in 2024. This must be completed and submitted to membership@insulation.org by **Tuesday, December 31, 2024**.

- Companies that reach a minimum of **175 points** throughout the 2024 calendar year will be recognized as Premier Industry Manufacturers. Program benefits include:
 - Recognition at NIA's 69th Annual Convention, April 28–30, 2025, at the Hyatt Regency Scottsdale Resort & Spa at Gainey Ranch, in Scottsdale, Arizona.
 - Companies will have access to the **Premier Industry Manufacturer** name designation and logo for the year they receive the designation. The logo can be added to marketing and promotional materials, email signatures, and the company's website.
 - Companies who achieve the recognition will be promoted on NIA's website and in marketing materials.
 - For a full list of program benefits, please visit www.insulation.org/membership/Premier_benefits.
