

NIA Education Center Team's Reporting Page Sponsorship

This add-on gives you the opportunity to assign one or multiple administrators to manage your team's learning progress, run custom reports, send reminder training emails, and oversee participation throughout the year.

Maximize your Revenue

42% of companies report that implementing eLearning has increased their revenue by improving workforce productivity and performance. With the team reporting page, you can measure engagement, identify skill gaps, and support your employees' development all in real time.

Boost Employee Retention

94% of employees say they'd stay longer at a company that invests in their career development. Use NIA's Education Center to support continuing education, reduce turnover, and demonstrate your commitment to long-term growth.
