

NIA's Insulation Project Art Gallery Showcase and Competition

To highlight the craftsmanship and artistry of contractor installations of mechanical, commercial, and industrial insulation systems, this event aims to showcase the expertise of our members and the industry.

HOW TO VOTE

All registered Fall Summit attendees will be eligible to judge the collection and vote for their top project selection. Each project is showcased anonymously with individual and company names removed from all photographs.

WHEN TO VOTE

Voting will take place during the Network Social Hour on Tuesday, Oct. 28 and throughout the event at NIA's Registration Desk until noon on Wednesday, Oct. 29.

JUDGING CRITERIA

- Most (total number of) parts insulated
- Aesthetics
- Difficulty of installation
- Well-installed application

VOTING: Cast Your Ballot by Submitting the Letter of Your Preferred Insulation Project (A-F)

Each Fall Summit attendee can vote once using the voting ballot provided in your name badge. Do not lose this card as no additional ballots will be distributed. You can only vote for one project! Please add your name, company, and letter of the insulation project to your card before voting. Ballot information will be kept confidential.
