

Discover the Benefits of NIA Membership and the Education Center

Invest in NIA's Premier Training Subscription: Exclusive members-only opportunity

- **Stay Competitive:** Offer your team the latest industry knowledge.
- **Maximize ROI:** Access a wealth of resources at a cost-effective price.
- **Enhance Professional Development:** Enhance skills and improve performance.

NEW RESOURCES AND COURSES

All are included as part of the Premier Training Subscription.

Mechanical Insulation 101 Track

If you are unsure where to start or which courses a new professional should take, the new Mechanical Insulation 101 Track is designed for you. This track covers fundamental concepts and essential knowledge crucial for understanding mechanical insulation.

AI Business Track 101

Throughout this track, participants will learn AI fundamentals, advanced prompt writing, strategic application of AI, and how it can help solve business challenges.

Updated Resource: Course Catalog

The course catalog is an excellent resource to help you map out a tailored learning plan for your team. Recommendations are provided on separate tabs for courses related to estimating or project management professionals, insulation training, leadership, health and safety professionals, human resources, and IT.
