PRE-QUALIFICATION FOR THE PROGRAM

NIA's Inspector Certification is developed for individuals who have good communication skills as well as the following:

- Have successfully completed the online Mechanical Insulation Basics course and the Part. 1 of this course known as Understanding Mechanical Insulation resulting in an initial understanding of the principles and fundamentals of insulation and insulation systems, types of insulation products, mechanical insulation science and technology, maintenance, and more. The fee for this course is included as part of the registration fee, and a link to take the On Demand courses will be sent to attendees after registering for the course;
- A minimum of 3 years of experience in commercial and/or industrial construction, process, and maintenance industry, inspection, or related fields;
- The ability to work in a team environment; and
- The ability to recognize potential basic safety concerns during facility visits and insulation system inspections.

EXAM DATES

By registering for this course, you will need to complete the NIA Mechanical Insulation Basics course and NIA's On Demand Course prior to taking the online exam and Part 2 of NIA's Thermal Insulation Inspector Certification. You will need to schedule your exam prior to December 1st or you will automatically be signed up for the exam on December 1st at 1:30 P.M. CT.

COMPUTER REQUIREMENTS FOR THE PROGRAM AND ONLINE EXAM

A computer with a recent operating system that has either Chrome or Firefox installed and a consistent Internet connection capable of uploading larger than 3 Mbps. A web camera and microphone required for course participation and the exam, but this is standard on most laptops.

PROGRAM REGISTRATION FEE FOR DECEMBER 8-9, 2027, COURSE

Based on your NIA membership status, please select one of the following registration fees and enclose payment.
Please Note: Class size is limited, and paid registrations are taken on first-come, first-served basis.

Terms and Conditions
By purchasing this Thermal Insulation Inspector Certification virtual course and Understanding Mechanical Insulation Course OnDemand (the "Course"), you ("you" or the "Participant") agree not to transfer access to this course to another individual, and you agree that the Course is for personal use only. The National Insulation Association ("NIA") does not allow sharing, exhibiting, distributing, or publicly displaying the Course to anyone who has not separately purchased and registered for this Course. This prohibition includes screen capturing or sharing, sharing login credentials, or using this content for training within a separate organization. If you violate the terms stated above, your access to the Course will be terminated without refund, and you may be subject to potential legal action for damages, including costs and attorney fees.

You acknowledge that upon purchase you will receive an access code. Accordingly, NIA does not offer refunds for purchases of NIA's Understanding Mechanical Insulation Course. You have access to the Course for 3 months from the date of purchase. If you require extended time to complete the Course, you can extend access to and have this Course reinstated for a fee of $550. Requests must be made in writing to *training@insulation.org* between 90-120 days after the purchase date. If you do not take the Course and Course exam within this timeframe and during the scheduled exam times provided, you will need to repurchase the Course at the full registration rate. NIA's Thermal Insulation Inspector Certification course is virtually scheduled for December 8-9, 2027. If for some reason, you cannot attend this training, you are able to transfer these dates to the virtual course held to a training date in 2028, if you provide NIA with at least 30 days' notice of the transfer request. Requests must be made in writing to *training@insulation.org*. Transfers may only be requested 1 time (if needed). If you do not show up for the course (and do not provide notice), you must pay the restate fee of $550, to transfer to a future course within a 12-month period.

Cancellation Policy and Course Guidelines
Course materials will be shipped directly to you at the address provided to NIA when registering. Only one copy of the Course materials will be provided, and additional copies cannot be sent or paid for separately. NIA is not responsible for reshipping of materials if the address provided is not accurate. Any materials that are requested to be shipped outside of the continental United States will incur additional international shipping and handling fees, which are to be paid for by the Participant. If you do not complete the OnDemand Part 1: Understanding Mechanical Insulation course and exam by the deadline date, a rescheduling fee of $550 will be applied. The attendee cannot take Part 2: NIA's Thermal Insulation Inspector Certification without prior completion of the course and exam of Part 1.

General Terms and Conditions
NIA holds the copyright, trademark and intellectual property rights for the course names, logos, and the training course content and materials. Pages, photos, or slides may not be reproduced, photocopied, or reprinted in any way without the written permission of NIA. As NIA's course materials are intended only for use by original purchasers, additional course manuals are not sold separately or available for purchase. NIA sponsors the course as a service to the commercial and industrial insulation industry. Certifications are granted to individuals who complete the course and successfully pass any tests administered as part of the program. NIA is not responsible for the performance of any Participant who successfully completes the course. Participants and their sponsoring employer(s) acknowledge that any use of the knowledge and/or techniques gained through the program are at their own risk and agree to hold NIA harmless from any liabilities (including attorney's fees) relating to or arising from, directly or indirectly, the use of the knowledge and/or techniques gained through the program or Participant's performance, actions, or omissions. Participant, recognizing that NIA may audio and/or video record the course, expressly gives NIA permission to use Participant's name and any photo and/or video in which Participant appears, and any quotes from Participant, to present future programs and/or to promote NIA's programs without further compensation or permission, except where prohibited by law. Further, Participant (i) understands that photos, video and/or quotes may be made available to print, video, Internet and other media, (ii) understands that photos and/or video may be captioned and that the caption may include, when appropriate, Participant's first and last name, and (iv) expressly releases, discharges, indemnifies and agrees to save harmless NIA from and against any claims arising, directly or indirectly, from the publication or use of such photos, video, quotes or Participant's likeness, including, without limitation, any claims for invasion of privacy or right of publicity, or loss or liability resulting therefrom.
