

THE VOICE OF THE INSULATION INDUSTRY™

The National Insulation Association's 2018 Silent Auction

Friday, April 20, 2018, 7:30–8:30 p.m.
Hyatt Regency Grand Cypress, Orlando, Florida
Regency Hall Foyer

NIA's Silent Auction is a biennial event that offers an evening of competitive bidding and fundraising. This year, net proceeds from the event will benefit the following organizations.

OperationHomefront.org

Operation Homefront is a national nonprofit whose mission is to build strong, stable, and secure military families so they can thrive—not simply struggle to get by—in the communities they have worked so hard to protect. Their programs offer relief, resiliency, and recurring family support programs and services throughout the year.

NIA's Foundation for Education, Training, and Industry Advancement promotes the benefits of commercial and industrial insulation to outside audiences. The Foundation's goal is to establish NIA as the recognized authority on the insulation industry and increase awareness of the need for and benefits of insulation.

During the Farewell Dinner on Friday, April 20, a representative from Operation Homefront will share information on current projects and a member from a military family will share their story. During the Farewell Reception and the Silent Auction, attendees will also have an opportunity to write personalized messages of support to military veterans and families, which will be distributed by Operation Homefront after the event. [Click here to watch a video and to learn more about how Operation Homefront helps military families.](#)

Auction Items

Item and Description	Donated By	Value
