NIA's Silent Auction is a biennial event that offers an evening of competitive bidding and fundraising. This year, net proceeds from the event will benefit the following organizations.

OperationHomefront.org

Operation Homefront is a national nonprofit whose mission is to build strong, stable, and secure military families so they can thrive—not simply struggle to get by—in the communities they have worked so hard to protect. Their programs offer relief, resiliency, and recurring family-support programs and services throughout the year.

NIA's Foundation for Education, Training, and Industry Advancement promotes the benefits of commercial and industrial insulation to outside audiences. The Foundation's goal is to establish NIA as the recognized authority on the insulation industry and increase awareness of the need for and benefits of insulation.

SPECIAL ACTIVITY: During the Silent Auction, attendees will have an opportunity to write personalized messages of support to military veterans and families, which will be distributed by Operation Homefront after the event.
