FESI Activities with Impact

THANK YOU

NIA | National Insulation Association[®]

- **Founding Partner of EiiF in 2009**
 - The idea to establish EiiF was conceived during the WIACO 2008 meeting in Nassau, the Bahamas
- **Thermal Technical Commission: Revision of ISO 12241**
 - Due to the FESI initiative the ISO 12241 Standard is currently revised with 3 FESI experts on board driving the update (Luis López Brunner, Leonard Zaccaria and Gyna Galvis)
- **Recruitment and Training Commission: FESI Championship 2020 and WIACO**
 - The next FESI Championship 2020 will be at the Energy efficiency fair in the Netherlands (Vakbeurs Energie/Industrial Heat & Power/Eco mobile).
- **Acoustic Commission: F&Q Factsheets**
 - The small but very productive and effective working group has developed some very practical and easy to use documents/F&Q factsheets to be downloaded from fesi.eu: <https://www.fesi.eu/documents/acoustics>
